

# **EBE Protocol**

**The Next Generation  
Travelling Ecosystem For  
Exploring The World.**

## **WHAT IS EBE Protocol**

*EBE is a multi-chain token based on the Binance Chain (BEP-2), Binance Smart Chain (BEP-20) . Founded in 2022 as a travel utility token, EBE enables travellers from around the globe to book various travel products and provides several incentives that encourage the use of the our platform, including discounts and loyalty rewards.*
